Prices

Prices include robe and surface transportation for continental U.S. in the 48 contiguous states. Orders must be prepaid. For orders of two units or fewer, shipped and billed to individuals, multiply the price by 2 and add transportation

Lead Time

Delivery cannot be guaranteed without adequate lead time. Adequate lead time is at least 35 days prior to the delivery date for those orders containing standard items. Orders with year-dated items (except tassels) and customized products require at least 60 days for manufacturing and shipping. All orders received with less than the specified lead time are subject to shipping charges up to and including air transportation and expedited handling fees. If no delivery date is specified, it will be defined as seven (7) days prior to the ceremony date.

Expedited Handling

Orders received with less than the specified lead time require special handling. An expedited handling fee of \$16.00 will be applied to orders received with less than the specified lead time between April 1 and June 30. All orders received with less than the specified lead time have a high probability of being shipped via air transportation and are subject to all shipping costs, up to and including air charges.

Return Policy

All Rental Apparel must be returned promptly upon completion of the ceremony. Prices include usage up to seven (7) days; longer use requires special quotation. Year-dated items and customized products are non-returnable.

For orders of two units or fewer, shipped and billed to individuals, multiply the price by 2 and add transportation. **Orders must be prepaid.**

The minimum billing amount is \$30, excluding Add-on Orders for existing customers. Applicable city, county, and state sales taxes will be added unless current and proper tax exempt documentation is supplied prior to or with the order
