Give-a-Bell Program

The *Give-a-Bell Program* helps generate a new sense of community in which everyone is encouraged to help reach the goal – the establishment of a Malmark Handbell Choir. The program has proven successful across the country.

Everything You Need

Our Give-a-Bell Kit includes all of the tools you will need to develop a successful fundraising campaign.

Sample Bell

We will send you a sample Malmark handbell with case for all to see our high quality craftsmanship and to hear the beautiful tone.

Recruitment Poster

A handsome four-color poster brings attention to your campaign and serves as a sign-up register as well.

Bulletin Inserts

Designed to fit your bulletins or newsletter, this informative brochure master explains the Give-a-Bell objectives and highlights the benefits of a handbell program. Space is provided for you to personalize the announcement for your congregation.

Press Releases

Sample press releases are provided so that you may announce your intent to raise funds for handbells. This will increase your outreach into the community. Information is also provided to help you announce that you have successfully completed the program.

Handle Inscriptions

Malmark is so sure that this program will work for you that we are willing to give you free handle inscriptions. Your donors may honor or memorialize the special people in their lives or you may choose to include the name and address of your organization for security.

GIVE-A-BELL Kit = \$100 Deposit

The \$100 deposit is credited to your account when you return the sample bell and order a handbell set.
