

Mobile Stages

Features

- Easy to set up, bring down or move around by a single person
- Deck built from solid plywood with tempered hardboard laminate
- Strong frame made from heavy-duty 16-gauge steel
- Folds up for compact storage and movement
- Locking mobile casters for movement
- Casters lift up when table is opened for use to prevent sudden movement
- Drop-in couplings for joining together many, same-sized stages
- Supports uniform load of 200 lbs. per square foot
- Available in Hardboard, Carpet or Polypropylene deck style

Safety Latch

For added safety, our exclusive automatic latch keeps stage decks locked vertically until you are ready to open the stage for use.

Prices effective 01/12

Optional Guard Rails are recommended and available separately. See Accessories Page.

To these prices, add Shipping Charges via commercial freight from Chicago, plus applicable taxes. Where there is no loading dock or several available personnel to unload the truck, additional Shipping Charges will apply for transfer to a Delivery Truck with a Lift Gate.

Drop-in Couplings

Couplings allow sections to be ganged for stability.
