by Hal Hopson

A complete resource to embellishing worship with handbells

#7006\$29.95

Handbell Assignment Book by Robert Ivey

Many years ago, Bob Ivey developed the Eight-Ten System — eight ringers for two octaves and then ten for three, four, or five octaves. Illustrating with specific pieces, Bob shows you how to assign bells in a way that challenges the ringers, maintains a high level of interest and involvement, and clearly explains his system of marking music. Over 400 pieces assigned in this resource
